## MARK YOUR PROPERTY OUTLINE ON ARCHITECT'S PLAN

Before scanning the architect's plan to upload for a floor plan order, mark the outline of your property clearly so that we know the area to be drawn.

PLAN-IT-ALL

GUIDELINES TO MARK AMENDMENTS ON THE ARCHITECT'S PLAN

If you have an old architectural plan, clearly mark and update any changes and renovations, to ensure that the most up-to-date plan version is uploaded.

PREFERABLE COLOR CODING FOR MARK-UPS

- Mark entities with **Red color** which you want to remove.
- Use **Green color** for addition of entities.
- Use **Blue color** for any notes or dimension measured in any room.
